

Preparations for NextGen for CJA Attorneys

CJA Panel Members:

On August 2, 2021, the U.S. District Court for the District of Colorado will be upgrading its Case Management/Electronic Case Filing System (CM/ECF) to the Next Generation of CM/ECF (NextGen). CJA attorneys will only need one individual upgraded PACER account to file in the District starting August 2, 2021. In order to prepare for NextGen, you must upgrade your **individual/non-exempt** PACER account. You will no longer need your exempt PACER account, the login for which is preceded by "x=", to file in this District starting August 2nd, as you will be able to toggle between exempt and non-exempt status within the NextGen CM/ECF system itself.

Follow the instructions attached to this email or visit [CM/ECF NextGen | US District Court of Colorado \(uscourts.gov\)](#) to upgrade your individual/non-exempt PACER account **now**. If you wait until on or after August 2nd, you will have to follow a different set of instructions which will be sent at a later time.

For additional information or assistance, please contact the PACER Service Center via email at pacер@psc.uscourts.gov or by phone at 800-676-6856.
