Re: 225th Anniversary of the establishment of the U.S. Marshals Service

Dear Marshal Kammerzell:

It is my great pleasure, on behalf of the Court, to congratulate you and the dedicated men and women of the United States Marshals Service on the occasion of the 225th anniversary of its establishment.

During the past 225 years, U.S. Marshals played an important role in America’s history. United States Marshals executed warrants, distributed presidential proclamations, provided law and order in the American West, registered enemy aliens in time of war, helped conduct the national census, protected the President and the Federal Judiciary, provided for the custody and transportation of federal prisoners, maintained and disposed of seized and forfeited properties, ensured the safe conduct of judicial proceedings, provided for the security of protected witnesses and directed fugitive task forces to apprehend our most dangerous fugitives.

In Colorado, the first U.S. Marshal was appointed by President Lincoln and began his service on March 25, 1861, when Colorado was a territory. Later, when Colorado became the 38th State in 1876, this District and Court were created. Since then the U.S. Marshals and their deputies have served the District of Colorado with great valor and courage.

We count on the men and women of the U.S. Marshals Service for the District of Colorado to protect our Court and the people who work in it. You all ensure the safe and secure conduct of judicial proceedings; you educate and protect our judges and staff, as
well as jurors and witnesses. You provide secure housing and transportation of federal inmates, and you work with other federal, state and local law enforcement agencies in a collaborative fashion to accomplish law enforcement objectives.

We are grateful for the exemplary service you and the men and women in your office provide. As a Court, we join in the celebration of the 225th anniversary of the United States Marshal Service on September 24, 2014.

Congratulations!

With best regards,

Marcia S. Krieger
