Subject: Biennial/Renewal Fee Collection starts TODAY!

Pursuant to General Order 2022-7, attorneys who practice in the U.S. District Court for the District of Colorado will be required to pay a \$60 biennial fee every two years. The 2024 biennial fee will be collected between Oct. 1st and Dec. 31st, 2024. Attorneys must pay the biennial fee through the court's CM/ECF system.

Keep in mind the following terms and conditions:

- Only attorneys currently In Good Standing with the court should pay the biennial fee. To determine whether you are in good standing, search your name on the court's Attorney Status page at <https://www.cod.uscourts.gov/CMECF/AttorneyStatus.aspx>.
- Attorneys who are not in good standing should NOT pay the fee. Payments made in error will not be refunded.
- Attorneys admitted between January 1, 2024, and October 1, 2024, must pay the biennial fee.
- The biennial fee is waived for federal agency attorneys only, including attorneys employed by the office of the Federal Public Defender.
- Attorneys who fail to pay the biennial fee by December 31, 2024, will be administratively removed from the roll of the U.S. District Court's bar. Should any such attorney wish to practice in this court again, the attorney must reapply for bar membership and pay the full bar admission fee.

Instructions for paying the biennial fee are now available on the court's Biennial/Renewal Fee Information webpage at <http://www.cod.uscourts.gov/AttorneyInformation/BiennialRenewalFeeInformation.aspx>
