## **NOTICE**

### **Jury Scam: Failure to Respond or Appear for Grand Jury Service**

Recently area residents have received phone calls from someone claiming to be with the United States Marshal Service. Residents are told that they have failed to respond or appear on a grand jury summons and that a warrant for their arrest has been issued. They are also told that they must pay a fine, usually by pre-paid credit card or bond card, or be jailed.

The U.S. District Court only summons individuals for jury service by U.S. mail. Any failures to respond or appear are communicated by the court to the individual in writing. Fines and arrest warrants are not issued without first giving the person in question an opportunity to respond in writing or appear before the court. You would never be solicited for personal information or to pay a fine over the telephone.

If anyone receives a call like the one described above, please contact the U.S. District Court Jury Division (toll free) at 844-641-6610 or 303-844-3924.
