Court Registry Fees pursuant to D.C.COLO.LCivR 67.2

- For handling registry funds deposited with and held by the court, the Clerk shall assess a charge from interest earnings in accordance with the detailed fee schedule issued by the Director of the Administrative Office of the United States Courts.
- For management of registry funds invested through the Court Registry Investment System, a fee at an annual rate of 10 basis points of assets on deposit shall be assessed from interest earnings, excluding registry funds from disputed ownership interpleader cases deposited under 28 U.S.C. § 1335 and held in a Court Registry Investment System Disputed Ownership Fund.
- For management of funds deposited under 28 U.S.C. § 1335 and invested in a Disputed Ownership Fund through the Court Registry Investment System, a fee at an annual rate of 20 basis points of assets on deposit shall be assessed from interest earnings.
- The Director of the Administrative Office has the authority to waive these fees for cause.

¹ This Fee Schedule is issued in accordance with 28 U.S.C. §114. For a complete listing of district court miscellaneous fees, visit the United States Courts website [here](#).

² In March 2015 (JCUS-MAR 15, p. 9-10), the Judicial Conference of the United States approved the following policy guidance regarding fee exemptions for the United States Government entities that are not funded by judiciary appropriations:

(a) The exemption for the United States contained in the court miscellaneous fee schedules applies exclusively to any department, agency, or instrumentality in the executive or legislative branches of the United States government, any independent federal agency or wholly-owned USG corporation, and Federal Reserve banks and branches.

(b) The exemption is not available for private individuals or entities solely because of contractual relationships with federal government entities.

(c) Entities seeking to receive this or any fee exemption bear the burden of establishing that they are entitled to the exemption.
